Dear Caribbean and Latin American friends,

CAPACITY MEDIA will be organizing an event in the Dominican Republic named: "Capacity Caribbean 2014".

In this event challenges that the region is facing within the wholesale telecoms (IP-transit) market will be discussed.

INTERNET SOCIETY (ISOC) too will be participating.

The organizer will be offering a discounted rate for members of ISOC (individual, corporate, chapters). Members of this mailing list too can make use of this offer.

I would like to invite especially our Dominican Republic friends to participate.

Please take notice of this announcement.

Best regards,

Shernon Osepa,
Manager Regional Affairs Latin America and the Caribbean

15% discount for Internet Society members

Dear member,

With less than 2 weeks to go until **Capacity Caribbean 2014**, now is the time to secure your place at the most important C-level event for the Caribbean wholesale community.

Now in its 8th year and taking place for the first time in the Dominican Republic, the event will utilise its new location to expand its audience from the Spanish-speaking Caribbean, **connecting more executives from across the Caribbean than ever before.**

As a member of the Internet Society you are entitled to an exclusive discount of 15% off the normal conference rate making a pass only \$979! To register simply contact Rebecca Bewley on +44 (0)20 7779 7227 or rebecca.bewley@capacitymedia.com.

The event provides a platform for leading executives to **debate the future of the Caribbean wholesale market** whilst giving insight into the latest developments in the competitive landscape, international transit routes, commercial opportunities in the content market and strategic initiatives to achieve wholesale growth.

With specially designated networking time, the event also serves as a **key forum for executives to meet both existing partners and new prospects**, providing a unique opportunity to holding back-to-back meetings and establish business in the region.

Key Event Statistics:

2014 Agenda Snapshot:

- Operator insight: Hear from **COLUMBUS NETWORKS, DIGICEL** and **LEVEL 3 COMMUNICATIONS** as they debate key strategies for achieving wholesale growth in the Caribbean market
- Engage with **INDOTEL, TATT** and other leading regulatory bodies during a dedicated roundtable as they address key regulatory obstacles to market development
- Gain an exclusive insight into the **latest developments in international connectivity** from the players driving subsea network development
- Hear from **CANAL+ CARAIBES, LOGIC COMMUNICATIONS**, and **NTRC GRENADA** as they discuss the commercial opportunities in the Caribbean content market
