Story

Join Will Smith and Andrea Romaoli for an expected 50,000 people throughout the world by sleeping out under the stars to help those who have no other choice. You will be helping to raise the life-saving funds needed to help a target of 1,000,000 homeless and displaced people in your area and throughout the world.

By sleeping out, you will be adding your voice to a campaign to end global homelessness. In 2016, the United Nations had every country in the world agree that by 2030, every homeless person will have access to adequate, safe and affordable housing. Join the World's Big Sleep Out and let's hold each other to account to make sure that happens.

Empathy: a feeling that we feel for others in the same conditions that we already experienced.

I'm a sweet mother that hopes protect the son. It's a common feeling into all mothers around the world. I feel empathy for all moms and dads.

For this reason I got involved into the Simuka Africa Youth Association since I experienced a sad situation in Africa. I will tell in details the reason why I'm here asking for your warm heart through this event from UNICEF: Simuka Youth's Big Sleep out.

Since 2013, I prefer not to wear expensive necklaces, earrings or rings. I'm wearing just glass (fake and cheap jewels).The world as I see it, I can't wear the expensive jewels when I know there are children dying because they aren't able to get a meal. The world as I see it, 1 necklace would save another life.

In 2013 year, I was informed that a child died in Africa because there wasn't food available. Thus, I sold my expensive jewels and donate to that mother.

This mother lose her child just because she hasn't food. The world as I see it, we are all humans and all humans needs a meal and a household.

I sold my jewels and I sent the money to her saying: "Madam, it isn't much but you cannot lost another child just because there isn't money for food".

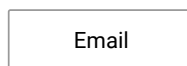

It is something that I will never forget. From that day, try to help the children from Zimbabwe is what drives my heart.

Simuka Africa Youth Association is a registered voluntary charitable organisation and was established in response to the growing number of challenges that are affecting young people in Zimbabwe, especially women and girls. They support young people's initiatives on life skills development and economic strengthening. Also they strive to alleviate poverty and break the cycle of child marriage which leaves many young girls and women without education and no voice to decide their future.

Now I ask you to support. Don't allow children to feel lonely at this night.

No donation is too small – any dollar helps! I appreciate your prayers, love, and donations for the Simuka Youth!
